

SELL ANYTHING, ANYWHERE

SHOPPING CART SOLUTIONS BY MOSARO

YOUR VERY OWN ONLINE STORE

Boost your sales with your own online shopping cart store that will allow you to quickly sell your products and services to your target customers and millions of consumers on the internet.

MOSARO shopping cart solutions use a user friendly web store that can be accessed on desktop, tablet and smartphone, and built on robust e-commerce systems with check out, credit card payment gateway, inventory, invoicing and can integrate with point of sale systems.

Sell Anything, Anywhere

From real products and digital downloads to subscriptions, content and even your time, your store can sell to anyone worldwide, and can run on any desktop, tablet and smartphone.

Marketing

Marketing is vital and your store is bundled with features that will help you reach people, and optimised for Google/Bing search

Payment Gateways

Choose from five pre-installed gateways including: Direct Bank Transfer, Cheque Payment, Cash on Delivery, Credit card payments with PayPal or other authorised payment providers

Point of Sale (POS)

We offer a POS option that will integrate with your store. Our POS can run on tablet or desktop, and connect to printer, barcode scanner and cash drawer.

Inventory Management

Manage your store's inventory easily, track stock levels, hold stock for a period if an order is cancelled, receive stock email notifications, and more.

Customer Registration

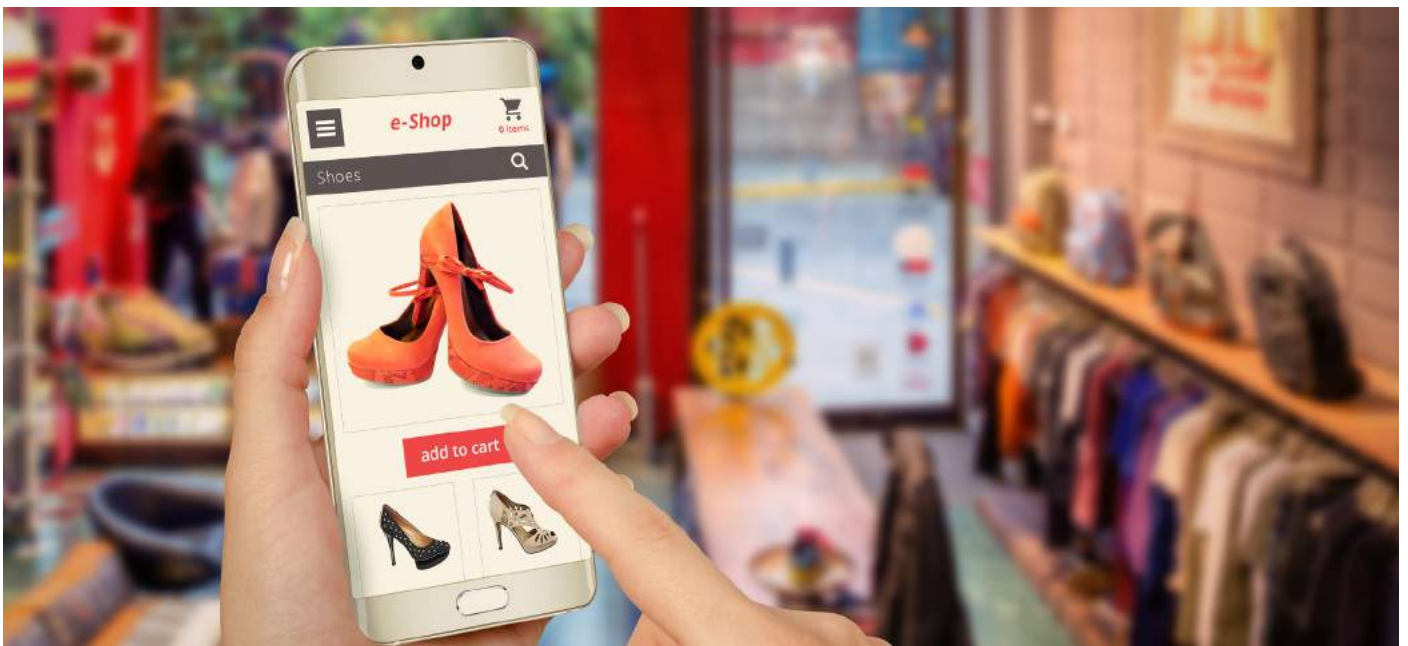

Allow customers to register on the checkout page or account page and/or display a returning customer login reminder on the checkout page.

Tax & Shipping Options

Set your tax rates, and select if prices are displayed in the shop excluding or including Tax/GST. Enable shipping prices and option choices within your store and a shipping calculator on the cart page. Integrate shipping rates from NZ POST.

Analysis & Reporting

Your store has a built-in dashboard to show sales orders, trends, traffic, and growth. Run sales reports to show both net and gross amounts you've earned.
